High Quality Enrichment Programs and Chess Events

Sponsor of KUMBAYA SCHOLASTIC  
TOURNAMENTS AND EVENTS

**OAK GROVE**  
**Professional Chess-Ed Instruction**  
**Spring 2024 Session 3**  
**Wednesdays 3:15-4:15PM**

**Chess-Ed will continue to provide this unique, exciting and dynamic chess instruction which lifts each student to a new level of expertise.** Each week students will enjoy an engaging lesson with supervised time to play classmates. Students will grow their knowledge of the game - from the basics through opening theory, middle game tactics and end game combinations. Students' vocabulary and math skills will continue to advance. Studies confirm that the student who plays chess does better academically. Playing chess increases IQ performance, improves memory, uses analytical and critical thinking skills, and teaches problem solving, responsibility, sportsmanship, social skills and more. **The chess program is open to all students in all grades (\*\*If your student is in Kindergarten and not showing interest, it is recommended to wait until they are ready) and of all playing levels. JOIN TODAY!**

**Spring Session 3:** 3/6, 3/13, 3/20, **(spring break no school 3/27,)** 4/3, **(4/10 No school)**, 4/17, 4/24, 5/8, 5/15, and 5/22 /2024. **9 weeks**

**EARLY Registration through 2/21 - \$144**  
**ON-TIME Registration 2/22 to 2/29/24 - \$154**
