

# Smiling Stars Musical Theatre Summer Camp 2024

Get ready to sing, dance and act your vacation away! Do you have a child entering kindergarten thru eighth grade who will be home during the summer? Send them on a vacation to the performing world! They will sing learning proper vocal techniques and dance with a dazzling smile! Every child is guaranteed a speaking part too! I write the show, so it is NOT the show you've seen in movies or plays. We've offered this Smiling Stars Musical Theatre Workshop for over 20 years! There will be 2 sessions offered this summer! A mini session and a full session!
